**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition keeps prices in check and affordable. I need internet to help my kids complete their homework and succeed in school. History has shown that Monopoly practises of ISP hurt consumer by offering poor speeds and reliability for higher prices. America is based on a competitive market so open it to everyone.
